25% Discount	all	discount	250	One time discount, max 1 ETH value	
5% Discount	all	discount	1200	One time discount, max 1 ETH value	
50% Discount	all	discount	100	One time discount, max 1 ETH value	
Alpha Upgrade	founder	upgrade	50	Replace this card with an Alpha card from Ethercard's vault (replacement card is chosen by Ethercards)	
Art Drop	all		1000	To receive free art drops from artists	
Disco Dropper	all	dropper	1500	Drops a random common Discount to the card. Replaces it once a month. Can burn the Disco Dropper Trait to keep the Trait.	
Extra Limited Trait Slot	all		1000	Gain an extra limited trait slot on this card	
Fluid	all	experimental	30	Card is able to reroll layers (and maybe traits) once a month	
Forge Protector	all		2500	One-time protection against the forge. This card will not get destroyed when used in the forge.	
Free Ticket	all		1500	One time free ticket to any participating raffle	
Glittery	all		88	glitter layer or animated layer added to the existing ether card - currently we have all static layer so may be a glittery or animated layers can be added as a special trait - during competitions or to the winners in the competitions	
Golden Goose	all	dropper	25	this trait will drop a mystery bag for free every time Ether Cards holds a Mystery Bag event.	
Good Company	all	drop	50	If you burn this trait you will receive another card from the vault (T&C applies)	
Gravity	all	experimental	35	a card with gravity trait will attract cards sacrificed by the forge, and perhaps some additional perks. The goal could be to evolve your gravity to be a supermassive black hole that sucks up all kinds of awesome stuff.	
Lucky Reroll	founder, alpha		500	This card can use reroll and have the same chances as an OG card to get random traits	
Merch	all	redeem	100	Some cards can get a special trait that can be burned for a physical item (ethercards hoodie, etc) (shipping fees apply)	
New Commons	all		1200	Rerolls only common layers, maybe allowing you to choose of one of two choices for each.	
OG Upgrade	founder,alpha	upgrade	3	Replace this card with an OG card from Ethercard's vault (replacement card is chosen by Ethercards)	
Rando Dropper	all	dropper	500	Drops a random common Trait to the card. Replaces it once a month. Can burn the Rando Trait to keep the Trait.	
Redeem	all	redeem	70	Consume this trait to be sent a physical Ether Card with your cards artwork. (T&C applies)	
Redeemable	all		10	added on redeemable items	
Reforge	all	reforge	2500	One time ability to re-randomize any (or all) selected layers in the main accidental art image of the card	
Reforge +	all	reforge	500	Reforges selected layers & can guarantee a non-common layer	
Selective Layer Reroll	all		900	This trait rerolls the selected layers on your card. (Maybe with a higher chance of rerolling into the artist of your unique artwork (if Alpha or OG)). The trait is burned when used.	
Swap	all	swap	50	Allows to replace your card from another card of the same class from the vault (availability, T&C applies)	
Synthesis Ritual	all		350	Uses the grid to create a forgeable layer set. Details later.	
True Name	all		900	Enables the holders of this trait to name their Ether.Cards/Accidental Collabs	
Unicorn	all		500	Vanity Trait (for now)	
Unstable	all	experimental	300	Each time the card is traded on Open Sea (or changes wallets) a random trait changes to a random trait	
Warp Rabbit	all	experimental	5	Upon activation Warp Rabbit does an action possibly influenced by the state of your card/wallet. Maybe it has a chance to drop a basic trait if you only have Founders. Maybe it has a chance to add to your dust if you're near empty
